

HOMEGROWN

MADE AT THE SAA

AUGUST 6 - SEPTEMBER 11, 2021

ATTENTION SAA STUDENTS & FACULTY YOU HAVE A SHOW!!

You are invited to submit your work for the SAA Student and Faculty Show in the M.G. Nelson Family Gallery. We are accepting all media, age groups, and levels from beginner to master. We invite faculty members to curate work from their students if they wish. Work may be for sale, but it need not be.

The primary purpose of this exhibition is to showcase the achievements of our students, skills of our instructors, and offer the public a glimpse of what can be created in our studios.

Entering the show is free. Submissions are limited to two per artist. Depending on the number of submissions, we do not guarantee that all work submitted will be shown. We do guarantee that one work by each artist will be shown. You are eligible for this show if you have taken a class any time between January 2019 and June 2021.

All work must be delivered to the Springfield Art Association between July 29th and August 3rd.

Please complete the form below and included it with your submission.
